Officer [REDACTED] received a medical call at 14:10 stating that an individual was having an allergic reaction to Benadryl. The individual was [REDACTED] black female, [REDACTED] years of age. Arriving on scene Officer [REDACTED] was approached by a [REDACTED] who explained that he was the first one to notice that [REDACTED] was having difficulties walking up the steps from FBI building 2 to FBI building 3 / Library. [REDACTED] stated that she was stumbling and 'looked like death' when he first saw [REDACTED]. Officer [REDACTED] was told that [REDACTED] 'looks 100x better' than what she did prior to the medical call itself. After talking to [REDACTED] she appeared fine but was a little out of it / tired. Officer [REDACTED] learned that she had taken an antibiotic earlier in the day which she appeared to have an allergic reaction to. [REDACTED] said that she was given Benadryl from the nurses to combat the allergic reaction that she was experiencing. [REDACTED] had not had anything to eat since breakfast. 14:18 nurses arrived on scene. At or around 14:20 Officers [REDACTED] and [REDACTED] arrived on scene escorting Quantico Fire - Emergency Services to the scene. Quantico Fire - Emergency Services took control of the scene and began to take [REDACTED] information and did several medical tests. [REDACTED] refused transportation to local hospital and was escorted back to her [REDACTED] floor room at FBI building 16 / Jefferson. Her escort consisted of FBI Police, Officer [REDACTED] and an EMT from Quantico Fire - Emergency Services.

## Narrative:

On May 25th, 2011 at approximately 0740 hours, Officer [redacted] responded to a medical emergency at the Jefferson Building Lobby. Once on scene, Officer [redacted] found FBI Academy Health Services staff tending to [redacted] an [redacted] employee (DOB [redacted]). The FBI Academy Health Services staff explained that [redacted] had said that he had been working in Building 8 when he passed out or fell, hitting his head. [redacted] then had made his way down to the Jefferson Lobby where he was found by [redacted] another [redacted] employee. [redacted] said that [redacted] was stumbling down the hallway when he first saw him. At this time, the Jefferson front desk attempted to contact the [redacted] office without success, and then made contact with FBI Academy Health Services and the FBI Command Center. The FBI Health Services staff, [redacted] (PA) and [redacted] (RN) arrived on scene at approximately 0737 hours. Shortly thereafter, Officer [redacted] had arrived on scene followed by [redacted]. [redacted] was responsive during this time, but became nauseated and threw up. It was also noted that [redacted] memory was impaired. At about 0745 hours, Quantico Truck 33 arrived on scene followed by Quantico Ambulance M531. FBI Academy Health Services informed Officer [redacted] that they had responded to an incident on May 13th, 2011 involving [redacted] and that it is possible that [redacted]. In addition, they explained that [redacted].

## Narrative:

At 18:00hrs Ofc.  and Ofc.  reported to the FBI Academy West Gate to perform the daily street/gate closure of the West entrance to the facility. While Ofc.  proceeded to close off the intersection of Investigation Pky. and MCB4, Ofc.  was in the process of securing the FPU weapons located at the West Gate Booth, remove the portable 'ballistic shield', and close the West Gate Fence. While moving the 'ballistic shield', Ofc.  said he heard and felt a 'pop' in his right wrist, followed by a 'shooting pain' progressing up his right arm. Ofc.  first reported the details regarding this incident to  upon arriving to the East Station to secure the FPU weapons retrieved from the West Gate. The night shift EMT on duty  field assessed Ofc.  injuries and provided ice/bandages for any swelling. Ofc.  advised  that he would seek further treatment from his personal physician the following day.

## Narrative:

On 07/01/2014, at approximately 2228hrs, QSOC called for a mobile police officer to respond to the Jefferson front desk regarding a 911 call from a student who was thought to have had an allergic reaction. Ofc.  responded to the call and was on the scene at approximately 2230hrs.  and Ofc.  arrived on the scene shortly after. Quantico Fire and Rescue Ambulance 533 arrived on scene at approximately 2232hrs. and waited for the individual to make his way to the Jefferson front desk. At approximately 2236hrs. we made contact with  a student in the Cyberguard training exercise, who was suffering from a swollen right wrist. This swelling was thought to have been due to an insect bite he received on 06/30/2014. Upon further investigation,  had previously been sent to the medical clinic on 06/30/2014, and had been given Benadryl to ease the swelling. Quantico EMT A, A&A A™s stated they were unable to do anything else for the swelling, and offered to take  to the hospital.  declined transport by the ambulance, and instead was transported to Stafford Hospital by another student at the academy. The scene was clear at 2255hrs.
